TOURNAMENT ORGANIZER PORTFOLIO

Victor Rodriguez
GhoulKing

Independent Gaming Tournament Organizer | XxGhoulKingxX

ABOUT

I organize competitive, welcoming rhythm-game events, from tournament rules and brackets to participant coordination and on-site operations. I hosted an 18-player Dance Dance Revolution tournament at Prince UFO in Colonie Center Mall in May 2026 and am preparing my second event, Capital Rhythm, for October 17–18, 2026.

My goal is to build partnerships with New York City gaming venues and expand into additional rhythm games and fighting-game tournaments.

WHAT I BRING TO A VENUE

• Tournament structure: divisions, brackets, match formats, scoring and rulebooks.

• Event operations: player registration, bracket administration, match coordination and rulings.

• Community engagement: competitive formats designed for different skill levels and player feedback.

• Promotional materials: event flyers, documented rules and an organized event record.

EVENT EXPERIENCE

DDR A3 Tournament | May 9, 2026 | Prince UFO, Colonie Center Mall, Colonie, NY

18 participants across two skill divisions. Organized and hosted the competition, including rules, registration, brackets and tournament operations. Actual format: double elimination, with pick-and-ban song selection. The event ran approximately 10:30 a.m.–6 p.m.

Capital Rhythm — DDR Tournament | October 17–18, 2026 | Prince UFO

Upcoming two-day event: Rising Stage (levels 9–12) on October 17 and Ultimate Stage (levels 13–16) on October 18. Planned improvements include EX scoring, randomized song draws using DDR Tools, stage-based difficulty ranges and a detailed published rulebook.

VENUE PARTNERSHIP INTEREST

Seeking opportunities to collaborate with NYC arcades, gaming lounges and event venues on accessible, well-run competitive gaming events. Open to discussing venue needs, tournament format, scheduling and community fit.

Event documentation and official rules are linked on the following pages.
